## PhD Scholars

### ***PhD Scholars and Research Profile***

The Faculty of Commerce and Science is committed to fostering a strong research environment, evidenced by the current enrollment of five dedicated PhD scholars. These scholars are pursuing doctoral research in accordance with the rigorous regulations set forth by the affiliated university, representing key areas of academic inquiry within the faculty.

The current list (2024-25) of enrolled PhD scholars and their respective departmental affiliations and supervision is as follows:

#### **1. Department of Zoology**

The Department of Zoology currently hosts three registered PhD scholars, actively engaged in research that contributes to the understanding of biological sciences.

- **Shashikant Rajbhar**, PhD Registered Scholar
- **Om Prakash**, PhD Registered Scholar
- **Kahkashan**, PhD Registered Scholar

**(Supervisor: Dr. Jamaluddeen Ahamad)**

Dr. Ahamad's supervision ensures that the research conducted by these scholars meets high academic standards and contributes meaningfully to the field of Zoology.

#### **2. Department of Commerce**

The Department of Commerce is cultivating research excellence with two registered PhD scholars focusing on various facets of trade, finance, and management.

- **Shreya Gupta**, PhD Registered Scholar
- **Satya Pandey**, PhD Registered Scholar

**(Supervisor: Dr. Dileep Kumar Verma)**

Under the guidance of Dr. Dileep Kumar Verma, these scholars are expected to produce substantial research outcomes relevant to contemporary commercial practices and theory.

### **3. Department of Hindi**

The faculty is actively planning to expand its research scope into the humanities. The Department of Hindi is poised to begin its doctoral program, aiming to encourage in-depth studies in Hindi literature, linguistics, and cultural studies.

*(Details of scholars and supervisor will be added upon enrollment.)*

### **4. Department of Political Science**

In line with the faculty's commitment to social sciences, the Department of Political Science is also designated for future PhD enrollment. This initiative seeks to promote advanced research in governance, public policy, international relations, and political theory.
