Administrative Compliance

A. **Institutional Directives and PM USHA Work:** Stringent compliance should be maintained regarding the recommendations by Department of Higher Education, UP, following strategic administrative reviews. Precise immediate directives are deployed for optimizing admission procedures under SAMARTH, accelerating accreditation norms at this institution, and standardizing overarching quality framework metrics under PM USHA initiatives.

B. **UP Praman Performance Review:** The cell formally evaluated the institutional standing within the 'UP Praman' framework. Widespread position tracking has been institutionalized across all important academic and operational works involving academic committees, ensuring structural alignment with academic performance indicators and quality assurance benchmarks.
